RESEARCH EXPERIENCE

July 2022- May 2025

Research Assistant In The ‘Engage Project’ To Dr. Nandini Ghosh, Idsk.

This project tries to understand disability from the perspective of the global South. Exploring opportunities for engaging girls and women with disabilities across Southern spaces. It tries to uncover the ways in which disability, gender and racial experience intersect with one another distinct colonial histories across the countries of Vietnam, India, and South Africa. This project is led by Xuan Thuy Nguyen from Carleton University, Canada, and I am part of the Indian team for the research.
